

GERMAN-AMERICAN MEN'S CLUB OF MIDDLE FRANCONIA

To: The Members of the Club

14. May 2012

Dear Friends,

On 29. April, more than 10 members and their families followed the invitation of our member Georg Barth to the opening event of the 2012 baseball season at the Burgfarrnbach grounds of the Fürth Pirates. It was fascinating to watch this typical american sport and to see the great engagement of all participants of this event. The Pirates lost unluckily with 3:4, but winner were all participants and the sport. Our thanks go to Georg, his wife and their team for the cordial reception and hospitality they gave to our club members.

The group at the Garmisch Artelleriekaserne

On 6. and 7. May, 21 members and friends travelled to Garmisch and stayed overnight at the Hotel Obermühle. The following day we visited the Edelweiss Lodge, a recreation center of the US Army and the Marshall European Center for Strategic Studies, which is usually not open to public visitors. A stroll through the Artillery Kaserne followed, where we had a delicious lunch. Thank you to our friendly and supportive hosts and to our president Marco, who over a long time had built up the contacts and who had organized everything.

Topic of our next event will be the most important Dürer exhibition in Germany in forty years. We will have a guided tour of

Der frühe Dürer
